#BADRUTT's MOMENTS: *Let there be light!*

St. Moritz, 29 November 2018. 3, 1852, 15000, 47000 – these are the magic numbers for 6th December at the Christmas Tree Lighting to conjure up the most beautiful Christmas tree in the whole of the Engadin!

3 days is how long it takes to set up the fine fir tree at the entrance of Badrutt's Palace Hotel.

1'852 red and gold baubles decorate its evergreen branches.

15'000 twinkling bulbs light up our Christmas tree and

47'000 lights sway over Via Serlas bathing all the happy faces looking up at them in a warm glow.

You don't want to miss the magical moment? Be there when we flick that little switch to throw a festive glory of light on not only the green giant, but Badrutt's Palace Hotel and the whole street as well!

Come to St. Moritz and join us in the celebrations on 6 December 2018 from 6pm for the traditional Christmas Tree Lighting and everything that goes with it: festive music and little Christmas bakes from the Palace Pâtisserie, mulled wine and kids' punch, Santa Claus himself and many presents to make little hearts beat faster.

We can't wait to see you!

Free entry, of course. No need to book ahead.
