RESTAURANTS & BARS

RESTAURANTS

Le Restaurant

16 GAULTMILLAU POINTS

DRESS CODE: JACKET REQUIRED, TIE DESIRED

CAPACITY 360 PEOPLE

If you want to spend charming nights in a unique atmosphere, this Grande Dame of the Badrutt's Palace restaurants offers a classic ambience with international and French cuisine. The following morning the Engadine sun will shine on a lush breakfast buffet, ready to be enjoyed while a harp player gently accompanies this energizing start into the day.

Le Grand Hall

CAPACITY 300 PEOPLE

To be pampered by being served a sumptuous Afternoon Tea in our Grand Hall, surrounded by eclectic relics from different eras, the 6 m high carved ceiling looming above – the paragon of a perfect afternoon for many guests. Everybody is welcome to leave their cares behind while lounging in the “living room of St. Moritz”, also known as “the catwalk” thanks to the glamour & style of our guests.

Le Relais

CAPACITY 60 PEOPLE

The “little sister” of Le Restaurant is a feast for the eyes with the brilliantly coloured style of the Belle Epoque. A vast front window offers a fantastic view of Lake St. Moritz. The delicious French lunch is served in a casual-yet-traditional atmosphere. Le Relais also serves as an intimate events venue.

La Diala

CAPACITY 40 PEOPLE INDOORS, 40 PEOPLE OUTDOORS

“Mountain fairy” is the Rhaeto-Romanic name of this family-friendly restaurant in the heart of Palace Wellness. Equally light as an ethereal spirit of the air is the smart cuisine, with dishes for a balanced diet that fit harmoniously into a relaxing spa day. The generous sun terrace invites daydreamers to spend more magic moments in the fresh mountain air.

Paradiso Mountain Club & Restaurant St. Moritz

13 GAULTMILLAU POINTS

CAPACITY 300 PEOPLE

Mountain comfort food, fun cocktails, urban beats – get ready to eat, dance and drink on top of the world. From tasty snacks, traditional alpine classics (with a twist) and world culinary favourites, to decadent cocktails, hot drinks and magnum champagnes, Paradiso always sets the bar high. Our resident DJs get people vibing and dancing every day, along with guest DJs from Kings Social House and across the globe.

*IGNIV**

*2 MICHELIN STARS & 17 GAULTMILLAU POINTS
CAPACITY 45 PEOPLE*

IGNIV (Rhaeto-Romanic for “nest”) presents a dining concept that is the first of its kind in St. Moritz. At IGNIV the 3 Michelin starred Swiss chef Andreas Caminada focuses on the beauty of time spent together; the sharing of values, comfort, and social exchanges over an exceptional menu served on sharing plates.

** ONLY OPEN IN WINTER, EXCEPT WHEN BOOKED FOR PRIVATE EVENTS.*

*La Coupole/Matsuhisa**

*16 GAULTMILLAU POINTS
CAPACITY 45 PEOPLE*

The name says it all! The glass dome of the former first indoor tennis hall is the characteristic feature and eponym for the restaurant of the Japanese star chef Nobuyuki (“Nobu”) Matsuhisa. Architecture and cuisine blend into a feast for the senses. “Fusion” also is the magic word when it comes to the menu which skilfully fuses the art of Japanese and Peruvian cooking. The restaurant includes a cocktail and sushi bar, as well as the Private Dining Room, which has secret doors for the staff to spirit in and out.

** ONLY OPEN IN WINTER, EXCEPT WHEN BOOKED FOR PRIVATE EVENTS.*

*King's Social House **

CAPACITY 200 PEOPLE

Famed as the oldest nightclub in Switzerland, King's Club at Badrutt's Palace Hotel has enjoyed a distinguished reputation as a legendary night spot for generations of St. Moritz jetsetters. In winter 2018, it was re-born as King's Social House in collaboration with celebrated British chef and restaurateur, Jason Atherton.

** ONLY OPEN IN WINTER.*

CLUB & BARS

Renaissance Bar – Vintage Cigar Lounge

CAPACITY 100 PEOPLE

Step into this cosy time capsule and perch on one of the original swivel leather bar stools as our barchef Andrea Delvo mixes your favourite cocktail. While waiting for your drink, notice the countertop holds silver matchbox holders and strikers of a kind not made anymore, and even play a traditional Badrutt's drinking game. Tilt a coin, put it in the outer indentation of the counter and let it roll. Whoever's coin is first to topple over, is paying the bill!

*Polo Bar * & Carigiet Bar*

It is not a fairy tale that the drawings in the Polo Bar are originals of the known Swiss author. Nor that the Senate (Ständerat) decided in the Chesa Veglia that Romansh became the fourth national language of Switzerland. The proof can be found on the front door of the Polo bar, adjacent to the Patrizier Stuben. Equally cozy and across from Pizzeria Heuboden, discover the Carigiet Bar.

** ONLY OPEN IN WINTER.*
