

BADRUTT'S PALACE
ST. MORITZ SWITZERLAND

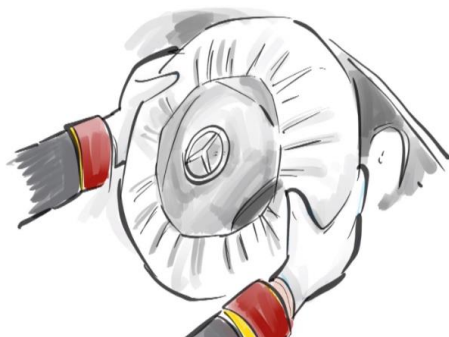

COVID-19 PROTECTIVE MEASURES

A recent (24 hrs), negative COVID-19 test result needs to be presented upon check-in.

Thermal imaging cameras are installed at all access points including staff entrance.

You may self-park your car. If we park your car we cover steering wheel and seats.

Our staff wear face masks at all times.

Guests need to wear face masks when in public areas of the hotel.

Rooms are disinfected when cleaned and windows are opened to let in fresh air.

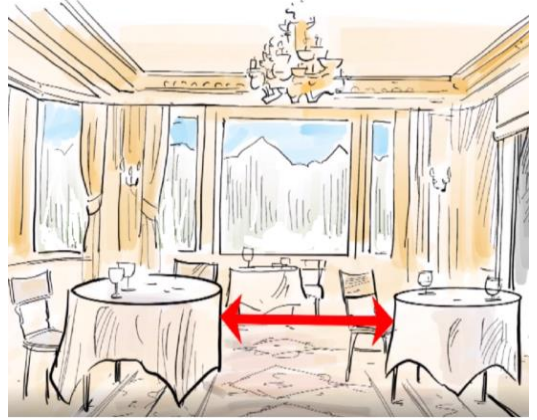

BADRUTT'S PALACE
ST. MORITZ SWITZERLAND

COVID-19 PROTECTIVE MEASURES

Restaurants are only open to Badrutt's Palace Hotel guests.

Plenty of space is left between tables and reservations are limited to allow for social distancing.

Menus are printed on recycled paper and intended for single use. QR codes can be scanned to access menus on mobile devices.

Palace Wellness is open and treatments can be offered with the necessary protective measures.

Disinfection stations are available throughout the hotel.

All employees are regularly tested for COVID-19.
