What better location than Paradiso to enjoy the remarkable energy of the mountains?

From fashion shows and company events to weddings, birthday parties and get-togethers with friends, our events are managed by the outstanding team at Badrutt's Palace who are renowned for creating unforgettable experiences.

Imagine arriving in style by chairlift under starry skies while looking out over stunning mountain and lake views, with a glass of champagne or hot glühwein in hand.

Then, as you disembark from the chairlift, you're greeted by a path illuminated with lanterns, with raclette and oyster stations along the way, leading you to Paradiso. It's just an eight-minute walk, but you're free to take your time and savour the moment.

# AN EVENING AT PARADISO

After assembling at the Suvretta valley station, be transported by chairlift up to Trutz station. Lasting around 8-10 minutes, it's a perfect moment to relax, with blankets supplied for extra comfort and warmth.

Upon arrival at Trutz station, you can choose to delight guests with the sound of traditional Alphornbläser. Afterwards, it's time to stretch your legs for an easy 10-minute walk to Paradiso. Here, we offer the possibility of a halfway stopover, where you can entertain guests with gourmet experiences, such as our popular raclette station.

An inviting welcome reception awaits on the Paradiso terrace (or inside, depending on the weather).

Next, indulge in a sit-down meal at the Paradiso restaurant, before heading to the lounge on the upstairs floor to dance the night away.

For a seamless departure, the chairlift can be kept on standby between specified times (from 23:00-02:00, for example). This allows guests to return individually, once they are finished making unforgettable memories.
