

**Badrutt's Palace Hotel awarded 5-stars
in Forbes Travel Guide's 2022 Star Awards**

LONDON, 26th April 2022– [Badrutt's Palace Hotel](#) is delighted to announce it has once again been recognised as one of the best hotels in the world by global rating experts [Forbes Travel Guide](#) (FTG), being **awarded 5-stars** within their annual 2022 awards. The only independent global rating system for luxury hotels, restaurants, and spas worldwide, the Forbes Travel Guide 5-star rating is considered **the hospitality industry's most prestigious achievement** and cements the Palace's distinguished reputation.

Recognised for creating the concept of 5-star service, the only way of achieving a Forbes Travel Guide Star Rating is by earning it through their independent inspection process as well as meeting several benchmarks around reputation, guest reviews and expertise. Once a property is Star Rated, it is revisited on a cycle of one to two years to verify its continued performance.

The rigorous inspection process sees anonymous professional inspectors evaluate hotels based on up to 900 objective standards with an emphasis on service. Requirements are wide-ranging and incorporate nine classifications from guest comfort and convenience to efficiency and staff appearance with 5-star properties acknowledged for **flawless service and amazing facilities**.

Richard Leuenberger, Managing Director at Badrutt's Palace said: "We are honoured once more to have received the highest rating from Forbes Travel Guide. This award is a great recognition of the performance of our team, whose **dedicated efforts and unrivalled passion** have been instrumental in ensuring we continue to meet Forbes' high standards. Even more so with the new challenges the hospitality industry has endured with the pandemic in recent years! We are extremely proud and look forward to spoiling our guests with excellent service again this summer from the 24th June to the 12th September."
