

Badrutt's Palace Hotel awarded 5-stars in Forbes Travel Guide's 2023 Star Awards

St. Moritz: 15 February 2023 – [Badrutt's Palace Hotel](https://www.badruttspalace.com) is delighted to announce it has once again been recognised as one of the best hotels in the world by global rating experts [Forbes Travel Guide](https://www.forbes.com/travel) (FTG), being **awarded 5-stars** within their annual 2023 awards. The only independent global rating system for luxury hotels, restaurants, and spas worldwide, the Forbes Travel Guide 5-star rating is considered **the hospitality industry's most prestigious achievement** and cements the Palace's distinguished reputation.

Recognised for creating the concept of 5-star service, the only way of achieving a Forbes Travel Guide Star Rating is by earning it through their independent inspection process as well as meeting several benchmarks around reputation, guest reviews and expertise. Once a property is Star Rated, it is revisited on a cycle of one to two years to verify its continued performance. The rigorous inspection process sees anonymous professional inspectors evaluate hotels based on up to 900 objective standards with an emphasis on service. Requirements are wide-ranging and incorporate nine classifications from guest comfort and convenience to efficiency and staff appearance with 5-star properties acknowledged for **flawless service and amazing facilities**.

"Travel is in an incredible position for continued growth, as people prioritize authentic, in-person experiences," says Amanda Frasier, President of Ratings for Forbes Travel Guide. "The hotels, ocean cruises, restaurants and spas on our 2023 Star Rating list demonstrate an impressive commitment to creating memorable environments that nurture connection, joy and sense of place as we experience the world to its fullest."

Open for winter until 3 April 2023 and continuing their commitment to delivering legendary service to all, guests of Badrutt's Palace this season can expect to see the hotel's world-class culinary offerings and careful balancing of innovation and heritage upheld by newly appointed Executive Chef, Jeremy Degras. Future plans will see the opening of a new wing added to the property's inventory scheduled for opening in December 2024.
